YOUR SPACE TO GROW

Drive over the Redheugh Bridge from Newcastle heading towards the Metro Centre, stay in the right hand lane and the road will go over the roundabout.

Continue on in the right hand lane (as the left lane takes the traffic A1 south bound) follow signs for A1 north bound then join the A1 north bound.

Exit A1 north bound at Swalwell / Whickham exit.

Keep left and take the first main left at the roundabout. Follow the road past Fife Engineering on the left and just as your level with that, the road will curve right, do not curve right, indicate left as you pass Fife Engineering and go underneath the A1 bridge.

The Office Company is the first building on the left after you pass under the bridge; the car park is the first left as you see the building.
